The State of CA has already severely damaged property owners by leaving us holding the bag for the Covid lockdowns. Many of us are in dire financial positions with tenants not paying rent for 5 months now, with no end in sight. Prop 15 will once again burden property owners with more financial burdens. We are sincerely considering leaving the state to do our real estate business elsewhere. Prop 15 would be the nail in the coffin for us. NO ON PROP 15!
Sincerely, Gary Chatmajian
