Prop 13 is responsible for many of California's most difficult problems over the last few decades. Large businesses do not need a tax break so they can retain valuable land at huge discounts off reasonable property tax rates--they are not senior citizens on a fixed income. Fix this loophole and restore a reasonable tax base to California so we can provide the services our state needs. We need to fund schools and homeless initiatives and fix our continuous budget shortfalls! Please support Prop 15!
