My name is Andrea Dooley and I am a parent, homeowner, and small business owner in California. I support Prop 15 because it will provide much-needed funding for public education and local communities, by reclaiming \$12 billion per year from the tax loophole enjoyed by major corporations while protecting homeowners, farmers, and families. The Board of Equalization has an important role to play in ensuring that Prop 15 is implemented effectively, and that it is fully enforced. We call on the Board of Equalization to rise to the occasion of implementing a change that Californians like me have needed for a very long time. I am asking you to support Prop. 15 — a fair and balanced reform to put our Schools & Communities First. Sincerely, Andrea Dooley
