My name is Virginia Fine. I am a parent, & a homeowner in Oakland. I support Proposition 15 it will provide much-needed funding for public education and for community necessities such as affordable housing to address our homelessness crisis. Proposition 15 would reclaim \$12 billion every year for our schools and local services by closing corporate property tax loopholes -- all while protecting homeowners and renters, small businesses, and agriculture. The Board of Equalization has an important role to play in ensuring that Prop 15 is implemented effectively, and that it is fully enforced. I am asking you to support Prop. 15 — a fair and balanced reform to put our Schools & Communities First.
