Comment:

My name is Naqiba Gregory. I am a parent and a public school teacher in West Sacramento, Yolo County. I support Proposition 15 because ... It will provide funding for PUBLIC EDUCATION, INCLUDING K-12 AND COMMUNITY COLLEGES. This is important to me because our students deserve the best PUBLIC EDUCATION in the world. Our students are our future and we need to invest in them so they can lead us into the future. They deserve a well rounded education that offers them what they need to succeed. Proposition 15 would reclaim \$12 billion every year for our SCHOOLS, and local services by closing corporate property tax loopholes -- all while protecting homeowners and renters, small businesses, and agriculture. The Board of Equalization has an important role to play in ensuring that Prop 15 is implemented effectively, and that it is fully enforced. We call on the Board of Equalization to rise to the occasion of implementing a change that Californians like me have needed for a very long time. I am asking you to support Prop. 15 — a fair and balanced reform to put our Schools & Communities First. Sincerely, Naqiba Gregory Parent and Public School Teacher West Sacramento, Ca. 95691
