1. Opening Remarks

Comment:

It's very disheartening to watch the Prop 13 foundation being attempted to be modified. This matter is often clouded/shielded with indirect/misleading dialogue. I support the Prop 13 regulations as they were originally passed with a large majority. I hope that the governing bodies that are sworn to protect its citizens will defend the original Prop 13 regulations and keep the Prop 13 regulations intact. Thanks, Gary Hamel
