My name is Kim Knox. I am a homeowner in San Diego. I support Proposition 15 because it will provide funding for local services such as Parks & Recreation and public schools. This is important to me because my two sons utilize local parks and attend public schools. Proposition 15 would reclaim \$12 billion every year for our schools and local services by closing corporate property tax loopholes -- all while protecting homeowners and renters, small businesses, and agriculture. The Board of Equalization has an important role to play in ensuring that Prop 15 is implemented effectively, and that it is fully enforced. We call on the Board of Equalization to rise to the occasion of implementing a change that Californians like me have needed for a very long time. I am asking you to support Prop. 15 — a fair and balanced reform to put our Schools & Communities First. Sincerely, Kim Knox, Community Volunteer, San Diego
