2. Overview of Proposition 15

Comment:

My name is Nikki Linnerman. I am a homeowner in Stockton. I support Proposition 15 because it is time to close the corporate loophole that happened in 1978. It was intended to help seniors not Disneyland, Amazon and corporate giants. It will provide funding for local services and schools and communities which desperately need it. This is important to me because we all rely on city and community services and many of those services are gone or are on their way out. Proposition 15 would reclaim \$12 billion every year for our schools and local services by closing corporate property tax loopholes -- all while protecting homeowners and renters, small businesses, and agriculture. The Board of Equalization has an important role to play in ensuring that Prop 15 is implemented effectively, and that it is fully enforced. We call on the Board of Equalization to rise to the occasion of implementing a change that Californians like me have needed for a very long time. I am asking you to support Prop. 15 — a fair and balanced reform to put our Schools & Communities First. Sincerely, Nikki Linnerman, Disability Insurance Examiner, Stockton
