Good Mornng. My name is Mary Ann Massenburg and I am a senior in San Francisco. I support Prop 15 because it will provide critical funding for our schools and communities. California is the only State that does not regularly assess commercial property. Currently, only 6% of commercial properties get nearly 80% of the Prop 13 tax savings. This inequity puts a burden on newer businesses and makes them less competitive. I urge the BOE to support this measure and ensure that it is fully and fairly enforced. Thank you for your consideration.
