My name is Andra Pligavko and I am a parent, homeowner, and school volunteer in Oakland, California. I support Proposition 15 as a way to provide funding for education and other community needs. Our schools are woefully underfunded, and services are inequitably available. Proposition 15 would make an appropriately substantial \$12 billion available for our schools and local services by closing corporate property tax loopholes -- all while protecting homeowners and renters, small businesses, and agriculture. The Board of Equalization has an important role to play in ensuring that Prop 15 is implemented effectively, and that it is fully enforced. Please rise to the occasion and support Prop. 15 — a fair and balanced tax reform that would put our Schools & Communities First. Sincerely, Andra Pligavko
