Hello and thank you for your time. I would like to voice my concern and strong opposition AGAINST proposition 15 and the dishonest way by which they are trying to hide damaging property tax increases by saying it is for "the children and our communities". Rest assure, families, small businesses, and ultimately our children will be the ones negatively impacted by this thoughtless proposition. This proposition would actually distance home affordability and accessibility to the lower, middle, and working classes. Do not be fooled. Vote NO on proposition 15. Thank you
