My name is Bonnie Willdorf I am a senior in San Francisco city or county. I support Proposition 15 because... It will provide funding for local services such as PUBLIC LIBRARIES This is important to me because I was laid off the day after Prop 13 passed as a services as needed librarian in Alameda County. Proposition 15 would reclaim \$12 billion every year for our schools, and local services SUCH AS PUBLIC LIBRARIES by closing corporate property tax loopholes -- all while protecting homeowners and renters, small businesses, and agriculture. The Board of Equalization has an important role to play in ensuring that Prop 15 is implemented effectively, and that it is fully enforced. We call on the Board of Equalization to rise to the occasion of implementing a change that Californians like me have needed for a very long time. I am asking you to support Prop. 15 — a fair and balanced reform to put our Schools & Communities First. Sincerely, Bonnie Willdorf Retired Librarian San Francisco
