Comment:

Please exempt Disabled Children (SSA, CA State Medical, or Regional Center determined) from the upward adjustment of inherited property taxes as a result of Prop 19. Also if a landlord rents exclusively to individuals with IDD , regional center clients , mediCal recipients at low income rent can we place a lower limit, reduction or no property tax exemption? Seems we need to encourage landlords to rent to low income renters who clearly will never earn a living wage due to disability and yet have a lifetime ahead to find and stay on rental home. Please help
