Agenda Item(s):

M2a1. Legislative Actions

M2a2. Guidance and Rulemaking

M2a4. Communications Plan: Education and Outreach

N. Public Comment on Matters Not on the Agenda

Comment:

Can the deadline of February 15 be delayed until there are clear guidelines and interpretations for family farms and ranches with family homes on them? California has the most production of agriculture of any state. The California Government should be watching out for this huge sector of its economy, instead of looking for ways to do away with it.
