Agenda Item(s):

M2a. Guidance and Rulemaking

Comment:

For Prop 19 property transfers, what happens if we submit our transfer documents to the assessors office on Feb 12th (Feb 15th is a holiday) but it's not processed until Feb 16th or 17th or even later due to a backlog of too many forms in the assessors office that they can't get through in time through no fault of our own? Is it still considered a transfer in time?
