N. Public Comment on Matters Not on the Agenda

Comment:

Prop 58 should just be family home no adoption papers or Prop 193 only both grandparents pass why children make it fair. What if biological parent no take care child grand parent pass no adoption too late take care child but really a parent after one year court sees legislation updated needed but case. Its just not good to reassess home should be year purchased parents rate. If any action happens in this case should be stop and be appropriate adjust taxes but its how it written following.
