Description of Issues:

The part of Prop 19 that changes the property tax rate is unfair to those of us who have planned on our home of 48 years being a legacy home for our next generations. This enormous change of property tax at our deaths would prevent our children and grandchildren from keeping the home in the family. Parts of Prop 19 are good for everyone, but that section is an affront to those of us who have planned for years to help our family. Please revoke that section - if put to a public vote I am sure it would pass.
