M1. Proposition 19 Implementation

Comment:

Public was totally misled by this title: "Proposition 19 – The Home Protection for Seniors, Severely Disabled, Families, and Victims of Wildfire or Natural Disasters Act." Hidden within this sneaky ballot measure was the provision to prevent parents from leaving their family home to children without the home's value being reassessed, making the subsequent Property Taxes unaffordable for inheriting children. Please repeal this portion of Prop 19 so that parents can leave their family homes to their children who wish to raise their families there without the burden of unaffordable taxes forcing them to sell.
