Comment:

Dear Board Members. My name is Suzanne and I live in San Jose California. I am 70 years of age, single, and a retired school teacher. My father immigrated to the US from Greece when he was a teenager. He worked hard driving a taxi in San Francisco. Providing for his family was his top priority. It was my father's wish that I inherit our home after my mother passes. She is now 99 years of age. He wanted to make sure I had security when I retired. I believed I had nothing to worry about. Prop 19 has become my worst nightmare. I beg you to support SCA4
