IMPORTANT NOTICE

Section 512 of the Housing and Community Development Act of 1977, PL 95-128, passed October 12, 1977, has amended Title V of the Housing Act of 1949 to provide that Farmers Home Administration (FmHA) will pay real estate taxes on Government acquired rural housing property. Accordingly, real property taxes assessed by local taxing authorities shall be paid. All property acquired pursuant to the Housing Act of 1949 is now subject to taxation. When title to real estate is acquired by the Government, FmHA County Supervisors will notify appropriate taxing entities in writing that claims for taxes during the Government's ownership shall be billed to FmHA at the County Office address. If taxes become due and payable while the Government owns the property, and are not paid by a prior lienholder, the County Supervisor will pay taxes by using Standard Form 1034.

We have been advised that National FmHA Instruction 1955-B is being amended to reflect this change.
