Subject: Proposed changes to BOE 267

Hi Patricia,

I apologize for being late in sending Contra Costa's feedback on the multitude of changes to the form BOE 267. At last week's CAASA roundtable, we were encouraged to still offer our endorsement of the responses already submitted, and to provide additional feedback in the hope that it can still be considered. My Exemptions lead clerk reviewed many of the suggestions compiled by CAASA and found them all to be prudent and worthwhile, and has two additional comments/requests:

On the BOE 267 (P2)

5. c. Add: If owned by a limited partnership, is Supplemental Clearance Certificate attached, or previously submitted?

d. Add as part of "If Yes": Please provide a pamphlet or other document describing the care and services provided.

Many thanks to you and everyone who have put in so much work on deciphering our post-JCC world.

Regards,
Beth
