Subject: RE: Proposed Form for 441(d) and Draft Language for the Assessment Appeals Manual

Hi David,

I am replying on behalf of the California Association of Clerks and Election Officials (CACEO). For consistency with amendments to Rule 323 (a) & (d) approved at the September 2018 BOE meeting, CACEO would suggest the proposed edits to pages 97-98 Continuances and Postponements in the Assessment Appeals Manual change "good cause" to "reasonable cause".

Please let us know if you have any questions,

Thank you.
