INTRODUCTION

This is a report of salaries and benefits of employees in California Assessors' Offices and comparable positions from the Property and Special Taxes Department of the State Board of Equalization. The report provides (1) a list of budgeted positions (including vacancies) and monthly salary ranges for each county assessor's office; (2) a list of salaries of appointees to county assessment appeals boards and hearing officers; and (3) a comparison of benefits available to county and state employees.

These data were compiled by the Board's Policy, Planning and Standards Division from a questionnaire sent to all assessors. A copy of the questionnaire that was mailed to assessors requesting data for the 2001-02 fiscal year is contained in Appendix A. Fifty-six of the 58 counties reported data; Alpine and Tulare Counties did not provide data for 2001-02.

For details regarding any county position, salary, or benefit, contact the local assessor or the county personnel office. Contact the Board's Policy, Planning, and Standards Division at (916) 445-4982 if you have questions about state salaries, classifications, and/or benefits.

SALARIES

This section contains a list of civil service classifications for each county assessor's office, the number of budgeted positions (including vacancies), the number of State-County Property Tax Administration Loan Program (PTALP) positions, and the monthly salary ranges for each classification. For comparison purposes, this report provides some State of California civil service classifications and salary ranges used by the State Board of Equalization's Property and Special Taxes Department. All salaries are monthly. The State-County PTALP was established by the Legislature in 1995 (Chapter 914, Statutes of 1995) and provides counties access to a \$60 million loan to supplement their existing property tax administration program and process existing work backlogs. Many counties have used these monies to hire additional staff.

Following the salaries of positions in county assessors' offices is a list of salaries of appointees to county assessment appeals boards and hearing officers. For purposes of this survey, we specifically requested salaries of assessment appeals boards and not county boards of supervisors sitting as assessment appeals boards. Assessment appeals boards are those boards separately appointed by the county board of supervisors to carry out the equalization function of the county.

BENEFITS

This section contains a comparison of various benefits provided for, or available to, state and county employees. Benefits are separated into four categories: retirement, health, leave, and miscellaneous. Please note that this is not an all inclusive list; it only reflects information provided by the counties. For more details on employment benefits offered by a particular county, please contact that county's personnel office.

TO COUNTY ASSESSORS ONLY:

2001-2002 SALARY SURVEY DATA REQUEST

Enclosed is the Board's request for data on salaries for California assessors' offices in preparation for the annual *California Assessors' Offices Salary and Benefit Survey* that is compiled and distributed each year by the Property Taxes Department. For your county, we have enclosed a copy of your 2000-01 salary schedule. Please return the schedule corrected to show **2001-2002** budgeted staff positions and salaries. Those positions that are funded through the State-County Property Tax Administration Loan Program (AB 818) should be listed separately. For counties with combined offices (e.g., Assessor-Recorder), please provide information for positions used only in the assessment program. If you wish to comment on items indirectly affecting salaries (e.g., mandatory furlough days, benefits no longer being paid by the county), we will include these in the survey.

Please complete the enclosed questionnaire to describe the various benefits received by full-time county employees and the salaries of assessment appeals board members. This questionnaire is available in Microsoft Word for use on a Windows-compatible computer.

Please return the completed questionnaire and updated salary schedule by **March 1, 2002**. If you have any questions or comments or would like to request the questionnaire on diskette or electronically, please contact Laura SooHoo at (916) 445-4474 or e-mail her at laura.sooHoo@boe.ca.gov.

Sincerely,

David J. Gau
