TO COUNTY ASSESSORS:

DISABLED VETERANS' EXEMPTION INCREASES FOR 2019

Revenue and Taxation Code section 205.5 provides that the exemption amounts and the household income limit for the disabled veterans' exemption shall be compounded annually by an inflation factor. Specifically, subdivisions (g) and (h) of section 205.5 provide that, for each assessment year, the inflation factor shall be the annual percentage change, measured from February to February of the two previous assessment years, rounded to the nearest one-thousandth of 1 percent, in the California Consumer Price Index (CCPI) for all items, as determined by the California Department of Industrial Relations.

Information from the Department of Industrial Relations shows that the CCPI increased from 260.111 in February 2017 to 269.247 in February 2018. Rounded to the nearest one-thousandth of 1 percent, this is an increase of 3.512 percent (factor of 1.03512). Applying this factor to the 2018 exemption amounts of \$134,706 and \$202,060 results in 2019 exemption amounts of **\$139,437** for the basic exemption and **\$209,156** for the low-income exemption. Applying this factor to the 2018 household income limit of \$60,490 results in a 2019 household income limit of **\$62,614** for those claiming the low-income exemption.

For your information, the exemption amounts and household income limits for prior years are enclosed. The disabled veterans' exemption forms (BOE-261-G and BOE-261-GNT) have been updated and will be mailed with the other Board-prescribed forms. Please call our County-Assessed Properties Division at 1-916-274-3350 if you have any questions regarding this exemption.

Sincerely,

/s/ David Yeung
