No. 2019/012

TO COUNTY ASSESSORS:

DISABLED VETERANS' EXEMPTION INCREASES FOR 2020

Revenue and Taxation Code section 205.5 provides that the exemption amounts and the household income limit for the disabled veterans' exemption shall be compounded annually by an inflation factor. Specifically, subdivisions (g) and (h) of section 205.5 provide that, for each assessment year, the inflation factor shall be the annual percentage change, measured from February to February of the two previous assessment years, rounded to the nearest one-thousandth of 1 percent, in the California Consumer Price Index (CCPI) for all items, as determined by the California Department of Industrial Relations.

Information from the Department of Industrial Relations shows that the CCPI increased from 269.247 in February 2018 to 276.655 in February 2019. Rounded to the nearest one-thousandth of 1 percent, this is an increase of 2.751 percent (factor of 1.02751). Applying this factor to the 2019 exemption amounts of \$139,437 and \$209,156 results in 2020 exemption amounts of **\$143,273** for the basic exemption and **\$214,910** for the low-income exemption. Applying this factor to the 2019 household income limit of \$62,614 results in a 2020 household income limit of **\$64,337** for those claiming the low-income exemption.

For your information, the exemption amounts and household income limits for prior years are enclosed. The disabled veterans' exemption forms (BOE-261-G and BOE-261-GNT) have been updated and will be available to assessors for the January 1, 2020 lien date. Please call our County-Assessed Properties Division at 1-916-274-3350 if you have any questions regarding this exemption.

Sincerely,
