No. 2021/018

May 10, 2021

TO COUNTY ASSESSORS:

DISABLED VETERANS' EXEMPTION INCREASES FOR 2022

Revenue and Taxation Code section 205.5 provides that the exemption amounts and the household income limit for the disabled veterans' exemption shall be compounded annually by an inflation factor. Specifically, subdivisions (g) and (h) of section 205.5 provide that, for each assessment year, the inflation factor shall be the annual percentage change, measured from February to February of the two previous assessment years, rounded to the nearest one-thousandth of 1 percent, in the California Consumer Price Index (CCPI) for all items, as determined by the California Department of Industrial Relations.

Information from the Department of Industrial Relations shows that the CCPI increased from 284.886 in February 2020 to 289.632 in February 2021. Rounded to the nearest one-thousandth of 1 percent, this is an increase of 1.666 percent (factor of 1.01666). Applying this factor to the 2021 exemption amounts of \$147,535 and \$221,304 results in 2022 exemption amounts of **\$149,993** for the basic exemption and **\$224,991** for the low-income exemption. Applying this factor to the 2021 household income limit of \$66,251 results in a 2022 household income limit of **\$67,355** for those claiming the low-income exemption.

The exemption amounts and household income limits for prior years are enclosed for your information. The disabled veterans' exemption forms (BOE-261-G and BOE-261-GNT) have been updated and will be available to Assessors for the January 1, 2022 lien date. Please call our County-Assessed Properties Division at 1-916-274-3350 if you have any questions regarding this exemption.

Sincerely,
